GOVERNOR'S MESSAGE.

Abstract of the State Paper Sent By Gov. Beckham to the Legislature.

Frankfort, Ky., Jan. 1.—Gentlemen of the Senate and House of Representatives: You are to be congratulated that the conditions under which you have assembled are so propitious and that all indications give promise of a most successful session. At your honorable meeting last night over two years ago in the chamber of a hotel, and amidst confusion and disorder, you met and passed a bill and a most important feeling. The information furnished to you by the press, the public and the political conditions, is fast disappearing, and our people are fully realizing the superior advantages of serving their time and attention to the important progress of the state rather than to the activities of heated political controversy and contentions. Notwithstanding the many misrepresentations and misstatements of outsiders concerning the conditions of the state and the frequent publication of false and untrue articles in several journals, whose regard for truth is subordinate to their desire for notoriety, it is nevertheless a fact that the supremacy of the law in Kentucky today is such as to give every citizen a perfect guarantee of protection in his property, and that the law is enforced in every part of the state. We have not suffered much by these false and contradictory reports, but it is now happily within our power to give absolute assurance to our people that the law is being enforced and that the state is in a position to respect for law which from one end of the state to the other.

Referring to the finances of the state, the governor says that the extraordinary situation of the state in relation to the revenue of the state is such as to require the purpose of state government. The amount of the state revenue for the year 1901 was \$1,432,000. During the last two years, he says that the state revenue has been running at a rate of \$1,432,000 in 1900 and \$1,432,000 in 1901. These conditions have been made necessary by the act of the special session of the general assembly in 1901 in borrowing \$500,000 and raising the rate of taxation and a subsequent report by the present rate.

Kentucky's day is not embarrassed by a large debt. The amount of bonded debt of the state is \$1,432,000, and is to be paid in four per cent bonds maturing in 1902, 1903, 1904, 1905, 1906, 1907, 1908, 1909, 1910, 1911, 1912, 1913, 1914, 1915, 1916, Having decided to quit business in Mt. Sterling, we must close out our entire stock before

THE 10th OF FEBRUARY.

You will be the judge whether or not you want furniture. This is the opportunity of a lifetime.

Church Reception in Palmyra, Mo.

One of the most delightful and successful church receptions ever held in this city was given by the congregation of the First Christian Church in the parlors and lecture room of their church on last Tuesday evening in honor of the pastor, Rev. W. A. Fite, and bride.

On this happy occasion were assembled not only the membership, but as guests nearly all the pastors and their wives of the different congregations in town.

After some time had been spent in introductions and pleasant conversation, the audience was called to order by Mr. B. F. Glahn, who presented Rev. Fite and wife two handsome rocking chairs, gifts of the membership as tokens of their love and appreciation. When appropriate responses had been made by both pastor and wife the audience repaired to the dining room in the basement of the church, where an elegant repast had been prepared by the ladies of the church, and to say that the refreshments were elegant would be putting it mildly. Delightful music was rendered by the Palmyra orchestra.

Bro. Fite has been pastor of this church for four months, but during that time he has done excellent work for the cause of right, and we are glad to say that he is being recognized, though young in years, as a power in the pulpit and an orator of no mean ability.

On Christmas day he was married to Mary Lindsey, daughter of Mr. and Mrs. C. H. Jones, of Mt. Sterling, Ky. His bride is one of Kentucky's fairest daughters, of sunny disposition and genial, kindly ways. Even in the short time she has been here she has endeared herself to those with whom she has mingled.

May their lives be bright and full of sunshine, and their work auspicious, crowned with good results in the cause of the Master.

M. L. WOOD, Palmyra, Mo.

Lessed.

Wm. Schooner, of Morehead, has leased the Morgan County Messenger and has employed some one, name unknown, to take charge of same. The Salt Lick Pantograph, which Mr. Schooner was to pilot over the troubled waters, was disabled on trial trip and has not been brought to harbor.

If you have rooms, dwellings or business property for rent, list same with T. F. Rogers, as he has quite a number of applicants, and his charges are reasonable. He will see ten people who want to rent to your one.

THE STORY OF OUR

Great Clearance Sale

Has been told by the press and the people. Not a soul has visited our store and wished more than ordinary BARGAINS has been disappointed. No matter how great their expectations our word has been fulfilled to the letter. When the papers, the red banners and hand-bills told the public that our magnificent stock would be thrown on the market regardless of value, the people showed their confidence by a quick response, and our sale has been an unparalleled success, but now comes the wind-up. After a sale such as we have had, there are bound to be broken lots and broken sizes. We must close them out, and now COMES A GREAT SACRIFICE! The odd sizes in Suits, the odd sizes in Overcoats, must go at WIND-UP PRICES.

Strike Now! Time is Fleeting and the End in Sight!

With the exception of the reason itself, a woman has a reason for everything.

If Banner Salve

doesn't cure your piles, your money will be returned. It is the most healing medicine.

F. C. Duerson, druggist.

You can't be happy unless you try to make others happy.

Chapped hands, cracked lips and roughness of the skin cured quickly by Banner Salve, the most healing ointment in the world.

F. C. Duerson, druggist.

Life's pleasures are not so numerous that you can afford to snub one.

W. L. Yaney, Paducah, Ky., writes: "I had a severe case of kidney disease and three of the best physicians in Southern Kentucky treated me without success. I was induced to try Foley's Kidney Cure. The first bottle gave me immediate relief and three bottles cured me permanently. I gladly recommend this wonderful remedy." Take no substitute.

F. C. Duerson, druggist.

There is no surer guide to the general trend of a man's character than his favorite books.

Frank Treadwell, Bennett, Ia., was troubled with kidney disease for two years. He writes: "I had taken several kinds of kidney remedies, but with little benefit. Finally I tried Foley's Kidney Cure and a one dollar bottle cured me."

F. C. Duerson, druggist.

Knife wounds heal quicker than those caused by a caustic tongue.

Child Worth Millions.

"My child is worth millions to me," says Mrs. Mary Bird, of Harrisburg, Pa., "yet I would have lost her by croup had I not purchased a bottle of One Minute Cough Cure. One Minute Cough Cure is sure cure for coughs, croup and throat and lung troubles. An absolutely safe cough cure which acts immediately. The youngest child can take it with entire safety. The little ones like the taste and remember how often it helped them. Every family should have a bottle of One Minute Cough Cure handy. At this season especially it may be needed suddenly."

Sold by F. C. Duerson.

A kind word is never spoken in vain. It has frequently saved a married man the cost of a new set of dishes.

A Profitable Investment.

"I was troubled for about seven years with my stomach and in bed half my time," says E. Demick, Sonerville, Ind. "I spent about \$1,000 and never could get anything to help me until I tried Kodol Dyspepsia Cure. I have taken a few bottles and am an entirely well man. You don't live by what you eat, but by what you digest and assimilate. If your stomach doesn't digest your food you are really starving. Kodol Dyspepsia Cure does the stomach's work by digesting the food. You don't have to diet. Eat all you want. Kodol Dyspepsia Cure cures all stomach troubles."

Sold by F. C. Duerson.

Beauty is only skin deep—and the same may be said of fleeces.

For Pneumonia.

Dr. C. J. Bishop, Agnew, Mich., says: "I have used Foley's Honey and Tar in three very severe cases of pneumonia with good results in every case." Beware of substitutes.

F. C. Duerson, druggist.

A woman never tried to flirt with a married man who loves his wife.

La Grippe coughs often continue for months and sometimes lead to fatal results after the patient is supposed to have passed the danger point. Foley's Honey and Tar affords positive protection and security from these coughs.

F. C. Duerson, druggist.

THIS AND THAT.

The hay harvested in the United States in 1901 amounted to \$1,000,000 tons.

In both the provinces of Ontario and Quebec the birth-rate is steadily decreasing.

From Dawson about 40,000 pelicans are exported annually to the great fur markets of New York and London.

Colored races never have blue eyes. Their eyes are always dark brown, brown, brownish, yellow or black.

There are 19 parliaments in the British empire—ten in British North America, seven in Australia and two in South Africa.

A herd of 60 full-blooded buffaloes, owned by James Phillips, of Fort Pierre, S. D., is the largest in the world. The animals are partially domesticated, but increase very slowly.

Wyoming has 35,000,000 acres of good grazing lands. There are about 1,000,000 cattle and 3,000,000 sheep in the state. Between the cattlemen and sheepmen exists a feud that not infrequently leads to murder. Sheep as you may or may not know, feed in so close order that when a flock has fed over a range not a spear of grass remains. Cattle browse at random, and leave behind more than they eat, so that the range may provide sustenance for two or three herds, one following the other.

An interesting coin has just been sold in Germany. It is one of the few coins in the history of the world which can be accused of having a humorous side to it. In 1076 the Danes descended on the port of Hamburg, but their attack on the famous Hanse town proved unsuccessful. The inhabitants of the town struck a medal to commemorate the occasion. The legend on the coin was as follows: "The king of Denmark has been to Hamburg. If he wouldst know what he achieved, look on the other side." It is needless to add that "the other side" is a blank.

A DUST METER.

Ingenious Apparatus for Estimating the Amount of Dust in the Air.

An ingenious apparatus for estimating the amount of dust in the air has just been devised by Mr. Karl Arens. It consists, says the Boston Transcript, of a glass tube loosely packed with cotton wool and connected with an aspirating apparatus on the principle of bellows. After the tube and the wood have been perfectly dried the air is weighed and then a given volume of the air to be tested is drawn through, carrying with it its quota of dust and moisture. The tube is then allowed to stand over strong sulphuric acid for 24 hours, or until the moisture is attracted from the wool. The tube and its contents are now weighed again and the increase in weight represents the amount of dust in the given volume of air. A great many experiments have been tried with the new instrument, and among the results are the following, which show in milligrams the amount of dust per cubic meter found in the air in the places mentioned: Laboratory, 1.1; schoolroom, 10.0; horse-shed, 17.0; saw factory, 17.0 and 15.0; woolen factory (picking room), 7.0; ditto (cutting room), 20.0; flour mill, 32.0 and 28.0; iron foundry (15 to 20 workmen), 28.0; ditto (not previously used), 25; ditto (few workmen), 12.0; ditto (during interval), 8.0; snuff factory, 75.0; ditto (before grinding), 16.0; cement works (during work), 224.0; ditto (in an interval), 130.0.

THE ALPHABET OF BANKING.

How to Make Headway in a Financial Institution.

With a good general education, to begin, a head for organization, and a natural courtesy of demeanor, there is no reason why the office boy of today may not be the bank president of 20 years hence; if he will only use his opportunities, application and hard work will carry him to the top. Outside the details of his own office, he will have to study and investigate securities, investments, the standing of farmers, letters of credit, and foreign business methods; to read all he can on banks, banking and all else that pertains to that particular department of finance. This may sound formidable, but, taken in conjunction with his daily work, and considering the amount of leisure every bank boy has, he will not have to lose much midnight oil to keep his knowledge in advance of his position. Know more than your position demands. As your knowledge rises, your position will follow.—William H. Porter, in Success.

Good resolutions don't cost any thing but they are hard to keep.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rattling sound or imperfect hearing and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

Will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can be cured by Hall's Catarrh Cure. Send for circulars, free.

N. Jackson, Danville, Ill., writes: "My daughter had a severe attack of la grippe and a terrible cough settled on her lungs. We tried a great many remedies without giving relief. She tried Foley's Honey and Tar which cured her. She has never been troubled with a cough since."

F. C. Duerson, druggist.

Those to whom labor is unknown cannot enjoy the exquisite delight of a well-earned rest.

Charity begins where infinity begins—nowhere.

Don't Live Together.

Constipation and health never go together. DeWitt's Little Early Risers promote easy action of the bowels without distress. "I have been troubled with constiveness nine years," says J. O. Greene, Depue, Ind. "I have tried many remedies but Little Early Risers give best results."

Children Especially Liable.

Burns, bruises and cuts are extremely painful and if neglected often result in blood poisoning. Children are especially liable to such mishaps because not so careful. As a remedy DeWitt's Witch Hazel Salve is unequalled. Draws out the fire, stops the pain, soon heals the wound. Beware of counterfeits. Sure cure for piles. "DeWitt's Witch Hazel Salve cured my baby of eczema after two physicians gave her up," writes James Mock, N. Webster, Ind. "The sores were so bad she could not wear five dresses a day."
